## Independent Auditor's Report

### ***Report on the Combined Financial Statements***

We have audited the accompanying combined financial statements of Compassion & Choices and Compassion & Choices Action Network, which comprise the combined statements of financial position as of June 30, 2020, and the related combined statements of activities and changes in net assets, revenue and functional expenses and cash flows for the year then ended and the related notes to the combined financial statements.

### ***Management's Responsibility for the Combined Financial Statements***

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these 2020 combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## ***Opinion***

In our opinion, the 2020 combined financial statements referred to above present fairly, in all material respects, the combined financial position of Compassion & Choices and Compassion & Choices Action Network as of June 30, 2020 and the changes in its combined net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States.

## ***Supplemental Information***

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying combined statements of financial position and activities and change in net assets as of June 30, 2020 and for the year then ended are presented for purposes of additional analysis and are not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.

## ***Prior Period Combined Financial Statements***

The combined financial statements of Compassion & Choices and Compassion & Choices Action Network as of June 30, 2019, were audited by Stratagem PC, who merged with Wipfli LLP as of January 1, 2020, and whose report dated October 22, 2019, expressed an unmodified opinion on those combined financial statements.

Wipfli LLP

Lakewood, Colorado

**1. Nature of Operations and Summary of Significant Accounting Policies**

Nature of operations

Compassion & Choices, which has been granted not-for-profit status under Internal Revenue Code Section 501(c)(3), works to advance patients' rights through laws that allow mentally competent, terminally ill adults the legal choice of physician aid-in-dying. Compassion & Choices seeks to achieve this goal by advocating patients' rights, educating the public about the issues surrounding physician aid-in-dying, and empowering patients so they can make informed choices.

Compassion & Choices Action Network is a not-for-profit organization with a 501(c)(4) status under the Internal Revenue Code Section, whose mission is to advance education on end-of-life choices through promoting memberships and periodicals. Compassion & Choices Action Network's mission is also to engage in programs to advance legislation which will permit terminally ill individuals of sound mind to receive physician aid-in-dying. Compassion & Choices Action Network has independently governed chapters which are located throughout the United States.

The two Organizations are considered to be under common control as defined by accounting principles generally accepted in the United States ("U.S. GAAP") based on financial control and/or joint operating agreements. As such, the financial operations of the two Organizations are presented as combined financial statements for the years ended June 30, 2020 and 2019.

Funding is received through donations from individuals, businesses and organizations.

Basis of presentation

The combined financial statements are prepared using the accrual method of accounting under U.S. GAAP whereby income is reported as earned and expenses reported as incurred.

The combined financial statements have been prepared in accordance with U.S. GAAP, which requires the Organizations to report information regarding its combined financial position and activities according to the following net asset classifications:

- Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organizations in accordance with the limitations of the charter and bylaws. These net assets may be used at the discretion of the Organizations' management and the Board of Directors. Decreases in net assets without donor restrictions generally result from expenses incurred for program and supporting services conducted by the Organizations.

**Compassion & Choices  
and Compassion & Choices Action Network**

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**1. Nature of Operations and Summary of Significant Accounting Policies (continued)**

Basis of presentation (continued)

- Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organizations or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Organizations have no funds held in perpetuity as of June 30, 2020 and 2019.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the combined statements of activities and changes in net assets.

Use of estimates in the preparation of combined financial statements

The preparation of combined financial statements in the conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of combined assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of combined revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

The Organizations consider all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. The Organizations maintain cash in bank deposit accounts at various financial institutions in which the deposits are guaranteed by the Federal Deposit Insurance Corporation ("FDIC").

The operating accounts of the Organizations are held at institutions that provide insurance up to \$250,000 per FDIC-insured depository institution. Under Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") Topic 825, *Financial Instruments*, identifies such accounts as a concentration of credit risk requiring disclosure regardless of the degree of risk. Risk related to deposits held outside of institutions participating in the above program is managed by maintaining deposits with high quality financial institutions. As of June 30, 2020 and 2019, the cash accounts maintained exceeded federally insured limits by approximately \$268,700 and \$471,900, respectively. The Organizations have not experienced any losses in these accounts and do not believe they are exposed to any significant credit risk on cash and cash equivalents.

(See Independent Auditor's Report)

**1. Nature of Operations and Summary of Significant Accounting Policies (continued)**

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are stated at their fair values in the combined statements of financial position. Realized and unrealized gains and losses are included in the combined statements of activities and changes in net assets. Donated investments are reflected as contributions at their market values at date of receipt.

Property, equipment and improvements

Property, equipment and improvements are recorded at acquisition cost with donated property and equipment recorded at estimated fair market value. When items are disposed, the cost and related depreciation and amortization are removed from the accounts, with gains or losses on disposal recorded. Depreciation and amortization is computed by the straight-line method over the estimated useful lives of the assets ranging from three to thirty-nine years, and the shorter of the estimated useful life or the related lease term for leasehold improvements. Maintenance and repairs are included as expenses when incurred.

Total depreciation and amortization expense was approximately \$7,300 and \$7,600 for the years ended June 30, 2020 and 2019, respectively.

Intangible assets

The Organizations account for intangible assets using Subtopic 350-30 of the FASB ASC *Intangibles – Goodwill and Other*. Effective January 1, 2014, the Organizations have adopted the guidance of FASB Accounting Standards Update 2014-02 “Intangibles – Goodwill and Other”. Prior to the adoption of this guidance, intangible assets with infinite lives were not amortized, but rather tested for impairment annually or more frequently if circumstances indicate that impairment may exist. Intangible assets with finite useful lives were amortized either on a straight-line basis over the asset's estimated useful life or on a basis that reflects the pattern in which the economic benefits of the intangible assets are realized. Upon adoption of the above guidance from FASB ASU 2014-02, intangible assets identified as goodwill are amortized on a straight-line basis over ten years or less based on the appropriate useful life. Goodwill is tested for impairment if circumstances change that indicate the fair value of the acquired entity may be below its carrying value. Intangible assets specifically identified with finite useful lives are accounted for as before.

As of June 30, 2020 and 2019, intangible assets are comprised of domain names purchased during 2014 and prior years at a total cost of \$20,000. They are being amortized on a straight-line basis over fifteen years and reflect accumulated amortization of \$10,486 and \$9,236 as of June 30, 2020 and 2019, respectively.

**Compassion & Choices  
and Compassion & Choices Action Network**

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**1. Nature of Operations and Summary of Significant Accounting Policies (continued)**

Intangible assets (continued)

Future annual amortization amounts to be recognized for the intangible assets based on the applicable useful lives are as follows for years ended after June 30, 2020:

Year Ended June 30,	Amount
2021	\$ 1,097
2022	1,000
2023	1,000
2024	1,000
2025	1,000
Thereafter	4,417
	<u>\$ 9,514</u>

Donations

The Organizations report gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support.

Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organizations report expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the combined statements of activities and changes in net assets as net assets released from restrictions.

All donations are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the combined statements of activities and changes in net assets as net assets released from restrictions.

**Compassion & Choices  
and Compassion & Choices Action Network**

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**1. Nature of Operations and Summary of Significant Accounting Policies (continued)**

Contributions

Contributions are recorded when made, which may be when cash is received or unconditionally promised, or when ownership of donated assets is transferred to the Organizations. Contributions received are recorded as net assets with donor restrictions or without donor restrictions depending on the existence or nature of any donor restrictions. Donated assets are recorded as contributions at their estimated fair value on the date of donation. All contributions are considered available for unrestricted use unless specifically restricted by the donor.

Promises to give

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of liabilities or expenses depending on the form of the benefits received. Promises to give are recorded at net realizable value if expected to be collected in one year and at fair value if expected to be collected in more than one year. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

The Organizations use the allowance method to record uncollectible accounts. The allowance is based on past experience and on specific analysis of the collectability of individual account balances. Management determined there was no allowance for uncollectible accounts as of June 30, 2020 and 2019, respectively.

Advertising costs

Advertising costs are charged to operations when incurred.

Income taxes

No provision for taxes on earnings has been made in the combined financial statements as Compassion & Choices has qualified as a not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code. Compassion & Choices Action Network qualifies as a not-for-profit organization under Section 501(c)(4) of the Internal Revenue Code. Both entities are only subject to taxes on unrelated business income; however, neither entity had any unrelated business income during the years ended June 30, 2020 and 2019.

**Compassion & Choices  
and Compassion & Choices Action Network**

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**1. Nature of Operations and Summary of Significant Accounting Policies (continued)**

Functional allocation of expenses

The costs of providing various programs and supporting services have been summarized on a functional basis in the combined statements of activities and changes in net assets. Accordingly, certain costs have been allocated among program and supporting services benefitted. The combined statements of functional expenses provide a detail of the natural classifications of those functional expenses and are determined by management on an equitable and rational basis. The combined financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and benefits, outside services, development costs, travel and entertainment, technology/data management, and other expenses that are allocated on the basis of use and time for the expenses, as well as personnel costs that are allocated on the basis of estimates of time and effort.

Fair value measurements

The Organizations record its investments at fair value. Fair value represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Organizations utilize valuation techniques to maximize the use of observable inputs and minimize the use of unobservable inputs. Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. Assets and liabilities recorded at fair value are categorized within the fair value hierarchy based on the level of judgment associated with the inputs used to measure their value. The hierarchy for measuring fair value prioritizes the inputs to valuation techniques used to measure fair value and gives the highest priority to unadjusted quoted prices for securities traded in active markets (level 1) and the lowest priority to unobservable inputs (level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organizations have the ability to access.

Level 2 – Inputs to the valuation methodology include a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**Compassion & Choices  
and Compassion & Choices Action Network**

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**1. Nature of Operations and Summary of Significant Accounting Policies (continued)**

Fair value measurements (continued)

As required by FASB ASC Topic 820, the Organizations' managed investments were classified as follows, based on the lowest level of input that is significant to the fair value measurement on a recurring basis as of June 30, 2020:

Description	Level 1	Level 2	Level 3	Totals
Cash and money market funds	\$ 4,729,839	\$ -	\$ -	\$ 4,729,839
Marketable securities:				
Fixed income investments	4,992,326	-	-	4,992,326
Equities	2,189,259			2,189,259
Mutual funds:				
Equity funds	2,731,190	-	-	2,731,190
Bond funds	2,631,872	-	-	2,631,872
Exchange-traded funds	1,352,501	-	-	1,352,501
 Total marketable securities	 13,897,148	 -	 -	 13,897,148
	<u>\$ 18,626,987</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 18,626,987</u>

As required by FASB ASC Topic 820, the Organizations' managed investments were classified as follows, based on the lowest level of input that is significant to the fair value measurement on a recurring basis as of June 30, 2019:

Description	Level 1	Level 2	Level 3	Totals
Cash and money market funds	\$ 4,913,072	\$ -	\$ -	\$ 4,913,072
Marketable securities:				
Fixed income investments	5,919,197	-	-	5,919,197
Equities:				
Mutual funds	3,667,240	-	-	3,667,240
Alternative investments	1,117,890	-	-	1,117,890
 Total marketable securities	 10,704,327	 -	 -	 10,704,327
	<u>\$ 15,617,399</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,617,399</u>

Valuation techniques used to measure assets at fair value include closing prices reported on the active markets in which securities held by the Organizations are traded. There were no changes to the valuation techniques utilized during the year.

and Compassion & Choices Action Network**

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**1. Nature of Operations and Summary of Significant Accounting Policies (continued)**

Change in accounting principle

In June 2018, FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The amendments in this update will assist entities in evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) or as exchange (reciprocal) transactions and determining whether a transaction is conditional. The Organizations adopted this guidance as of July 1, 2019, with no effect on its recognition of contributions received.

New accounting pronouncement

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. When this standard is adopted, the primary accounting change will require lessees to recognize right of use assets and lease obligations for most operating leases, as well as finance leases. This new standard based on a proposed extension, is effective for financial statements issued for annual periods beginning after December 15, 2020. The Organization is evaluating what impact this new standard will have on its combined financial statements.

Subsequent Events

Subsequent events have been evaluated by management as of the date of these combined financial statements. This date represents the date the combined financial statements were available to be issued.

**Compassion & Choices  
and Compassion & Choices Action Network**

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**2. Availability and Liquidity**

The following represents the Organizations' combined financial assets at June 30, 2020 and 2019:

	2020	2019
Combined financial assets at year end:		
Cash and cash equivalents	\$ 1,030,279	\$ 938,539
Unconditional promises to give	348,640	361,000
Investments:		
Cash and money market funds	4,729,839	4,913,072
Marketable securities	13,897,148	10,704,327
Beneficial interest in charitable remainder trusts	81,980	76,072
Other current assets	852	735
Total combined financial assets	20,088,738	16,993,745
Less donor restricted amounts	346,213	70,000
Combined financial assets available to meet general expenditures over the next twelve months	\$ 19,742,525	\$ 16,923,745

The Organizations' goal is generally to maintain combined financial assets to meet six months of operating expenses (or approximately \$6,000,000). As part of its liquidity plan, excess cash is invested in short-term investments, including cash and money market accounts.

**3. Conditional Grant Awards**

During the year ended June 30, 2020, the Organizations received a refundable advance of \$1,449,400. This amount resulted from the issuance of a Paycheck Protection Program award as a result of legislation passed to assist businesses in navigation the Coronavirus pandemic. Subsequent to the receipt of funds, the Organizations decided to return the funds in full, including principal and accrued interest. As of June 30, 2020, there was no balance outstanding.

**4. In-Kind Contributions**

Certain professional fees for legal, consulting and valuation services to program activities were provided without charge to the Organizations and are treated as, and included in, "Contributions". The services were valued by their providers as of the dates of which the services were performed. A corresponding amount is included in the appropriate category of "Program expenses". On these bases, approximately \$617,700 and \$1,427,000 is included in each of the accounts mentioned during the years ended June 30, 2020 and 2019, respectively.

**Compassion & Choices  
and Compassion & Choices Action Network**

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**5. Promises to Give**

Unconditional promises to give

Unconditional promises to give for years ending after June 30, 2020 and 2019 are reflected as either current or non-current assets based on the terms of the commitment by the individual donors.

The following is a summary of unconditional promises to give at June 30, 2020 and 2019:

	2020	2019
Amounts due in:		
Less than one year	\$ 348,640	\$ 361,000
One to five years	35,000	70,000
Net promises to give	\$ 383,640	\$ 431,000

**6. Other Asset - Investment, Partnership Interest**

In October 2019, the Organizations received a contribution consisting of a limited partnership interest in four partnerships as a beneficiary of an estate. The partnerships are valued on a monthly basis based on the underlying investments determined by the investment advisor using the financial information applicable to the identified assets using Net Asset Value per Share. In accordance with ASU No. 2015-07 and FASB Codification Subtopic 820-10, certain investments that are measured at fair value using the NAV practical expedient are not classified in the fair value hierarchy and, as such, are excluded from the fair value hierarchy disclosures in Note 1. As described in Note 1, donated assets are recorded as contributions at their estimated fair value on the date of donation. The fair value of the investment was approximately \$238,000 as of June 30, 2020.

**7. Retirement Plan**

The Organizations sponsor a 401(k) profit sharing plan (the "Plan") covering substantially all employees who meet specified service requirements as defined in the plan document. The Plan allows for employee contributions up to the maximum allowable by the Internal Revenue Code. Contributions by employees are matched 100% by the Organizations up to 5% of gross eligible salary and totaled approximately \$225,200 and \$193,200 for the years ended June 30, 2020 and 2019, respectively.

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**8. Commitments**

The Organizations lease office space under operating leases expiring at various dates between December 2023 and October 2025. Monthly payments range from \$7,500 up to \$13,900 in the final year of certain leases.

The following is a summary of the minimum annual commitments under the terms of the leases for years ending after June 30, 2020:

Year Ended June 30	Portland Office	Washington D.C. Office	Total
2021	\$ 95,046	\$ 150,609	\$ 245,655
2022	97,897	154,374	252,271
2023	100,834	158,234	259,068
2024	51,676	162,190	213,866
2025	-	55,415	55,415
	<u>\$ 345,453</u>	<u>\$ 680,822</u>	<u>\$ 1,026,275</u>

Rent expense for the years ended June 30, 2020 and 2019 was approximately \$249,000 and \$160,000, respectively.

**9. Income Taxes**

FASB ASC Topic 740, *Income Taxes*, clarifies the accounting for uncertainty in income tax positions and defines the threshold for recognizing the tax benefits of tax return filing positions in the financial statements as “more likely than not” to be sustained upon examination, based on the technical merits of the positions. A tax position that meets the more-likely-than-not recognition threshold is initially and subsequently measured as the largest amount of tax benefit that has a greater than 50 percent likelihood of being realized. Tax positions which previously would have failed to meet the more-likely-than-not recognition threshold should be recognized in the first subsequent financial reporting period in which the threshold is met. Conversely, previously recognized tax positions which no longer meet the more-likely-than-not recognition threshold should be derecognized in the first subsequent financial reporting period in which the threshold is no longer met.

As the Organizations are qualified as a nonprofit under the Internal Revenue Code, any income tax position would be primarily related to unrelated business activities outside the core mission of the Organizations. Based on prior examinations of contractual arrangements of the Organization and correspondence received from the Internal Revenue Service, management believes there to be no potential income tax positions that would result in related tax liability for the Organization. Management will continue to evaluate any future contractual arrangements with respect to potential income tax positions under this guidance.

Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**10. Split Interest Agreements**

The Organizations administer the following gift annuities. A gift annuity provides for the payment of distributions to the grantor or other designated beneficiaries over the annuity's term (usually the designated beneficiary's lifetime). At the end of the annuity's term the remaining assets are available for the Organizations' use. The portion of the annuity attributable to the present value of the future benefits to be received by the Organizations is recorded in the combined statement of activities and changes in net assets as an unrestricted contribution in the period the annuity is established. Such contributions totaled \$43,816 and \$40,895 for the years ended June 30, 2020 and 2019, respectively. Assets held in the annuity reserve fund totaled \$710,520 at June 30, 2020 and are reported at fair market value and included in Investments in the Organizations' combined statement of financial position.

Net assets with donor restrictions as of June 30, 2020 and 2019 reflect donations restricted by donors and consist of the following:

	2020	2019
Unconditional promises to give that are due in more than one year:		
- Time restriction only	\$ 205,000	\$ 70,000
- Time and purpose restriction:		
Our Care, Our Choice Act in Hawaii	91,213	-
Realizing Dignity at Life's End for People in Illinois	50,000	-
	<u>\$ 346,213</u>	<u>\$ 70,000</u>

**Compassion & Choices  
and Compassion & Choices Action Network**

Notes to Combined Financial Statements  
Years Ended June 30, 2020 and 2019  
(See Independent Auditor's Report)

**12. Contingencies**

From time to time, the Organizations are a party to various disputes, claims and legal actions which are incidental to its mission. Provisions for costs and losses relating to these matters are made as management deems them appropriate. As of June 30, 2020, management has determined that there are no matters for which any provision is required.

**13. Reclassification**

Certain reclassifications have been made to the 2019 amounts to conform with the 2020 presentation.

**14. Business Conditions**

On March 11, 2020, the World Health Organization declared the outbreak of a respiratory disease caused by a new coronavirus as a "pandemic". First identified in late 2019 and known now as COVID-19, the outbreak has impacted thousands of individuals worldwide and the full outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Organizations' condition, liquidity, and future results of operations. As of the date of issuance of the combined financial statements, the Organizations' financial operations have not been significantly negatively impacted, however, the Organizations continue to monitor the situation. No impairments were recorded as of the combined statement of financial position date as no triggering events or changes in circumstances had occurred as of year-end; however, due to significant uncertainty surrounding the situation, management's judgment regarding this could change in the future. In addition, while the Organizations' results of combined operations, cash flows and financial condition could be negatively impacted, the extent of the impact cannot be reasonably estimated at this time.
